NAYA GAWANA
Resort & Spa
17 Bay View Suites facing the magnificent bay are now ready for you to indulge more in the chorus with nature at Naya Gawana Resort & Spa. Simple yet luxurious timber bungalows await for more exploration with al fresco private open bathroom and spacious deck looking at your own secret garden promising you to have one extraordinary moment during your stay near the West Bali National Park.
Lumbung Suite

12 Lumbung Suites are designed to make your stay even better at Naya Gawana Resort & Spa, overlooking at the magnificent Menjangan Bay and the lush scenery of Mangrove Forest. These charming and comfortable suites are built using indigenous materials, decorated elegantly in native colors, fabrics and textures to create an ambience of comfort and luxury. The suites are set in a lush tropical garden; each features a spacious sundeck, living room (lower deck), air-conditioned bedroom with king size and twin beds (upper deck), and a luxurious bathroom with natural hot spring water.
Mangrove Suite

4 Mangrove Suites are located adjacent to the mangrove forest and the bay. The Suites features a spacious sundeck overlooking the mangrove forest, broad living room, air-conditioned bedroom with king-size bed, luxurious bathroom with natural hot spring water and private whirlpool.
Indulge your mind, body and soul at Naya Gawana Resort & Spa with an array of healthful, relaxing treatments from our Spa. Traditional and modern soothing techniques are gracefully combined, using natural Indonesian herbs, to stimulate total relaxation and lasting rejuvenation. Relax from the hassle of the everyday life, with various exotic body treatments such as Balinese massage, Javanese lulur with traditional Indonesian herbs to pamper your skin, or an array of aromatherapy treatments to stimulate circulation and induce relaxation through combined sense of smell and feeling. The oils penetrate deeply into the body, helping to restore equilibrium to the nervous system, attaining deep relaxation and clarity of mind.
